

South Dakota Snow Queen Festival

Basket Raffle Donation and Presentation

An important part of the Banquet on Friday night is the basket raffle, the proceeds from which go toward the South Dakota Snow Queen scholarship fund.

Each year, we ask that all Snow Queen candidates assemble a gift basket representing her community to be raffled. Candidates in the past have found success by visiting local businesses and asking those businesses to donate their products or services to the basket. Candidates will have a chance to explain their basket and how the items included represent their community before the basket is raffled off to a winner.

Here are a few examples of baskets that have been put together recently:

Sincerely,
Danielle Teigen
Local Contest Chair
